25	I, Mark Jansson, make the following declaration pursuant to 28 U.S.C. § 1746:

27	on personal knowledge.

2. I am one of the official proponents of the California ballot measure known as Proposition 8. I am also one of the Defendant-Intervenors in this case and a member of ProtectMarriage.com's ad hoc executive committee. I am submitting this Declaration in Support of a Motion for Protective Order because I can unequivocally state that if the personal, non-public communications I have had regarding this ballot initiative—communications that expressed my own personal political and moral views—are ordered to be disclosed through discovery in this matter, it will drastically alter how I communicate in the future.

3. While the Proposition 8 campaign was ongoing, I often communicated with other supporters, donors, and/or volunteers of ProtectMarriage.com about my deeply held moral and political views.

4. I helped formulate strategy regarding the campaign and communicated with others within the campaign, the campaign's vendors, consultants, donors, etc. about political strategy.

5. In the future, I will be less willing to engage in such communications knowing that my private thoughts on how to petition the government and my private political and moral views may be disclosed simply because of my involvement in a ballot initiative campaign. I also would have to seriously consider whether to even become an official proponent again.

I DECLARE UNDER PENALTY OF PERJURY THAT THE FOREGOING IS TRUE AND CORRECT.

Executed on September 15, 2009
